MEMORANDUM FOR:

THROUGH

SUBJECT

[REDACTED]

: Search for New Radar or Radar Installation, Czechoslovakia

REFERENCE

: Requirement No. NSA/SOC/R-19-70  
NPIC Project No. 250530

25X1

1. The referenced requirement called for a search to be made of high resolution photography subsequent to [REDACTED] for evidence of new radar or radar installation within a 10 nautical mile radius of 49-33N 013-00E and 49-34N 013-47E.

25X1D

2. This requirement cannot be fulfilled. Cloud cover on the high resolution photography available precludes an adequate search of the areas at this time. However, NPIC will report by OAK or cable, as appropriate, any radar activity observed on future high resolution photographic coverage of the referenced search areas.

3. This project is considered to be complete. Questions regarding this project may be directed to [REDACTED] of the Western USSR/ Europe Branch, WGD/IEG on extension [REDACTED]
